<p>2014 Black History Month Celebration</p> <p>The EPA will join the Federal Triangle Partnership, including the U.S. Department of Commerce, the U.S. Customs and Border Protection, and the U.S. Agency for International Development, in hosting this year's Black History Month commemoration on Tuesday, February 25, 2014, from 10:00 a.m. to 11:00 a.m. in the auditorium of the Department of Commerce. The auditorium is located at 1401 Constitution Avenue, N.W., in Washington DC, at the Federal Triangle Metro station. The keynote speaker will be Dr. Freeman A. Hrabowski III, President of the University of Maryland, Baltimore County (UMBC). His research and publications focus on science and math education, with special emphasis on minority participation and performance. Forum Members attending the program are encouraged to wear bowties and arrive early so we can sit together to be discussed more at meeting.</p>

All Hands Meeting

All Hands Meeting

National Asian American and Pacific Islander (AAPI) Heritage Month.

Press Conference: Clean Power Plan:

Under the Clean Air Act and President Obama's Climate Action Plan, EPA is proposing to cut carbon pollution from existing power plants, the largest source of greenhouse gas emissions in the U.S. The Clean Power Plan is a commonsense and flexible approach to cut pollution, protect public health, continue economic growth, and spur innovation.
